GLOCAL SCHOOL

Glocal School is the unification of competent teachers, modern and secure infrastructure, an idyllic setting with facilities for the teachers and students for staying in the campus and experienced administration. Huge campus, well – equipped labs, well organized and updated library, pollution free environment, CBSE curriculum, excellent pastoral care and mess facility run by professionals are some of our strengths.

We at Glocal believes in upholding traditional values while adopting contemporary infrastructure and pedagogies. Children having diverse backgrounds, unique streaks of values, traditions and cultures enter the portals of our Glocal learning community. At Glocal, unrelenting effort goes in mentoring and mutating the uncut diamonds into finer Glocal Gems. We are passionate about teaching and learning and inspiring our students to believe in themselves and be proud of who they are and their achievements. We provide professional environment that is less driven by lectures and more oriented around opportunity to apply learning through demonstrations, modelling and practice.

We aim to provide quality education in the ideal environment and to create a next-generation leader with high ideals and humanity. Our first priority is academic success. Our Glocal staff commits to provide the highest quality education possible by adopting holistic methodology and student centered approach enriched with creative skills.

The school is involved in many sporting and cultural activities that enable our girls and boys to develop their personality, temperament and character in different ways – socially, spiritually, academically, physically and morally. We have a cricket academy run by professionals and inaugurated by captain of India's first world cup winning team Mr. Kapil Dev.

As a school, we always welcome parental and community involvement in our school and we derive great personal and professional fulfillment from the role we play in the lives of the young generation whose education is entrusted to us. We value the opportunity to communicate with our parents . We welcome parent questions and will respond to your voice via mail or phones. If you have any query regarding school, please call our office at 9917586795 to speak our office assistant or can drop a message over info@glocalschool.in

We hope you will visit us often and thank you for your support.
